Hanukkah: assignment deadline request

FALL 2026 / UNIVERSITY

BEFORE SENDING Use only when a specific deadline conflicts with your observance; Hanukkah alone is not a general class-absence request. Replace all brackets. For a Sat., Dec. 5 deadline, you might propose Mon., Dec. 7; for Sat., Dec. 12, Mon., Dec. 14.

Subject: Request concerning [ASSIGNMENT NAME] due [DECEMBER DATE]

Dear Professor **[LAST NAME]**,

I am writing in advance about the deadline for **[ASSIGNMENT NAME]** in **[COURSE]**. I observe Shabbos, from before sunset Friday until nightfall Saturday, and I will be unable to work on or submit coursework during that period.

Hanukkah falls from Friday evening, December 4, through Saturday night, December 12, 2026. Hanukkah itself generally does not require an absence from daytime classes. My scheduling conflict is specifically **[DESCRIBE THE FRIDAY/SATURDAY DEADLINE OR REQUIRED EVENING ACTIVITY]**.

Would you be willing to let me submit **[ASSIGNMENT NAME]** by **[PROPOSED DATE AND TIME]** instead of **[CURRENT DEADLINE]**? I can also submit it before the observance begins if that is preferable.

Thank you for considering this request. I am happy to discuss an alternative that preserves the course requirements.

Sincerely,

[YOUR NAME]

[STUDENT ID, IF NECESSARY]

DATE REFERENCE Hanukkah: Dec 4 sundown-Dec 12 nightfall, 2026 (Hebcal). Shabbos times vary by location.
