Subject: Religious observance conflict: Passover, April 2027

Dear Professor **[LAST NAME]**,

I would like to let you know in advance about a religious observance conflict with **[COURSE]**. I observe Passover (Pesach), which begins before sunset on Wednesday, April 21, 2027, and concludes after nightfall on Thursday, April 29, 2027, in the United States.

The festival days on which I cannot attend class, complete assignments, or use electronic devices are Thursday, April 22; Friday, April 23; Wednesday, April 28; and Thursday, April 29. I may also need to leave early on Wednesday, April 21, depending on the class time and local sunset.

I am requesting an excused absence for **[DATES AND CLASS MEETINGS]** and an alternative arrangement for **[QUIZ / EXAM / LAB / PRESENTATION / ASSIGNMENT]**. Would **[MAKE-UP DATE OR EXTENSION REQUEST]** be possible? I can arrange to complete work in advance or meet with you to identify an appropriate alternative.

The days between the first and last festival days are intermediate days, and my specific availability on those days is **[YOUR AVAILABILITY; DELETE SENTENCE IF NOT RELEVANT]**.

I appreciate your help in making a plan that allows me to meet the academic requirements while observing the holiday.

Sincerely,

[YOUR NAME]
